

## **ANDREA PENNACCHIA**

Andrea is a senior manager with 30 years of experience in the Financial Institutions and a demonstrated history of business transformation, restructuring and integration. As Executive VP in Nexi Group, he is now responsible for payment services and products development and offer to Banks and Public Administrations.

Before joining Nexi, Andrea has gained transversal knowledge of Financial Institutions by holding positions in various sectors, as General Manager of an Online and Financial Advisory Bank, CEO and General Manager of an Asset Management Company and deputy General Manager of an Insurance Company, after holding the role of Head of Strategic Development and Head of Organization in a leading Italian Banking Group. Andrea had previously gained many years of experience in the strategic and organizational consultancy sector working for McKinsey and for Accenture on several projects for financial institutions.

During his experience, Andrea has held positions in the Italian Association of Asset Management companies and in the Italian Association of Financial Advisors. Andrea is graduated in Business Administration at Milan-Bocconi University and holds an Executive Certificate in Global management at Paris-INSEAD.
