

**ENRICO BAGNASCO**

**EXECUTIVE DIRECTOR – IT HEAD OFFICE DEPARTMENT**

**INTESA SANPAOLO S.P.A.**

Enrico is Head of Head Office IT Department for ISP Group, a role he took up in July 2015. He is responsible for Intesa Sanpaolo's group-wide IT services (both ADM and infrastructure) for the Italian market, and coordinates the IT departments of all the domestic and international companies in the Group.

Enrico was previously in charge of Operations for Intesa Sanpaolo, a role he took up in April 2010. He was responsible for Intesa Sanpaolo's group-wide back-office services for the Italian market, delivering services to 38 different legal entities, including Intesa Sanpaolo's investment bank Banca IMI.

From March to November 2018 he was also chairman of the board of SEC Servizi an IT company providing outsourcing solutions to banks and financial institutions.

Up until 2017 he was chairman of the board of Exelia, one of the companies of Intesa Sanpaolo Group.

From 2005 to 2006, Enrico was in charge of Application Management and Development for the Sanpaolo Group, a role he maintained after the merger of Sanpaolo and Intesa in 2007. In 2007 and 2008, he led the post-merger program on the application side.

Enrico previously worked with Accenture (formerly Andersen Consulting) for more than 13 years, mainly in Financial Services in its M&A practice.

He has a degree in Computer Science from Pisa University.
